## INFORMATION BROCHURE

## POST GRADUATE INSTITUTE OF AGRI-BUSINESS MANAGEMENT

Junagadh Agricultural University

JUNAGADH - 362001

## FROM THE DESK OF PRINCIPAL

I am happy to present you a snapshot profile of Post Graduate Institute of Agri-Business Management (PGIABM) which has been rendering meritorious service in the field of Agri-business education. Junagadh Agricultural University has started Post Graduate Institute of Agri-Business Management in 2008. The mission of PGIABM is to meet the growing demand of Agri-business professionals at national and international level. Agriculture is the largest private sector enterprise, which has abundant capacity to absorb large number of people for their livelihood while agro industry are considered an extended arm of agriculture but in India it has yet received as much attention as agriculture. Now a day's Agri-business is emerging as a specialized branch of knowledge in the field of management science. Therefore all agro-based industries related to seed, fertilizers, chemical, food processing, farm implements, marketing, agro-energy, agril-biotechnology, agril-journalism etc. are very important sectors in India which are in dire need of trained human resource for running such industries successfully. PGIABM therefore opens the new frontiers of knowledge and reveals new horizons of change to its students. With our high caliber faculties and exceptional infrastructure at PGIABM we trained our students to contribute effectively to the organization they will work with and the society they live in. At our institute, we do not just create management post graduates but develop corporate citizens. You're welcome at PGIABM to experience an environment of quality education.

## JUNAGADH AGRICULTURAL UNIVERSITY:

The Junagadh Agricultural University spread over in 7 districts of the Gujarat state under its jurisdiction and covers 32.82 percent area of this state. The Junagadh Agricultural University is having College of Agriculture, College of Agricultural Engineering & Technology, College of
