

### 3.1 General

The concept of education is based on two-tier system. The first one consists of the higher agricultural education covering Agriculture, Agricultural Engineering & Technology and Fisheries Science, which include the graduate and post graduate resident instruction programmes. The second consists of lower education programme provided at the Horticulture School, Agricultural School, School of Baking, Livestock Training Centre, Mali Training Centre and Extension Education Training Centres. The higher education programmes are looked after by the Registrar and lower education programme by the Director of Extension Education at the University level.

### 3.2 Under Graduate Programmes

#### (1) Procedure of Admission

The admission criteria in the Under Graduate programmes in Junagadh Agricultural University are purely on merit basis i.e. on percentage of marks obtained in science subject like Physics, Chemistry and Biology/Mathematics at Higher Secondary School Certificate Examination with English as a compulsory subject. Among the seats allotted for admission, 49 per cent seats are reserved for various Backward Classes, i.e. 7 per cent for Schedule Caste, 15 per cent for Schedule Tribes and 27 per cent for Socially and Educationally Backward Communities as declared under Baxi Commission (Mandal Panch). The students of CBSE, who have passed their examination in Gujarat State, are considered eligible as per prorata. For out state candidates, 15 per cent seats are reserved for ICAR, they have to pass All India Entrance Examination for admission purpose. The admission procedure is

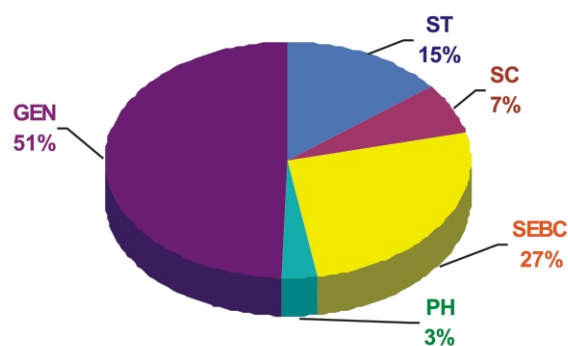

centrally administered by the Registrar at University level.

In B.F.Sc. degree course, 12 per cent seats are reserved for Fisherman's son and daughter at Fisheries Science College, Veraval. Fifteen per cent weightage is given for B.F.Sc. degree course to Fisherman's son and daughter at the time of admission. In addition, 5 per cent weightage is given to farmer's son and daughter for admission to B.Sc. (Agri.) and B.F.Sc.

From the academic year 2003-2004, the Board of Management resolved to fill up 10 seats each in all the colleges of this University in Under Graduate courses as NRI/NRI Sponsored/Payments Seats with a fees of 3500 US Dollar per semester for NRI/NRI Sponsored candidates and Rs. 25000 fees per semester for payment seat.

Moreover, three per cent seats are reserved for disabled (physically handicapped) candidates in all UG/PG programmes as per the directive from the Hon. Supreme Court of India.

Category wise reservation of seats
